

Best of Christmas Photo Contest!

Do you dress your dog or cat up in a Santa costume, decorate your home like the Griswold's' Christmas or bake the tastiest Christmas cookie in the area? We want to see your Christmas spirit.

Enter our Best of Christmas Photo Contest for your chance to compete to have your photograph published as the front cover of our newsletter.

How it works: *Submit your best photo of the "Best of Christmas Photo Contest" to the HOA by midnight, December 15th.*

Each contestant will be entered for the chance to have their photograph published in the next issue of the Cedar Run newsletter, and all entries will be published on our website.

Fill out the online form and upload your photo. All photos should be 300 dpi and we support every file type: png, jpg, jpeg, gif and many more.

If your photo is chosen as our winning photo, we will contact you via email.

All ages can enter the contest, but please make certain that the photo you submit is your own, and be sure to tell a little about your photo.
